## Relopet International Recognized as BNS Best in Business 2026

**R**elopet International, the GEM Pet Network's exclusive member representing Vancouver, Canada, has been named one of BNS Business News' Best in Business for 2026, recognizing their excellence in international pet relocation.

The award follows a nomination and detailed evaluation of client reviews, online presence, customer experiences, and commitment to ethical and transparent service. BNS highlights companies that demonstrate "clear and reliable communication," "professional and ethical operation," and "outstanding customer experience."

For Relopet International, this recognition reflects the trust placed in their team every day.

*"For us, this recognition reflects what we value most – the trust you place in us to move your pets safely, compassionately, and professionally around the world."*

The Relopet team also acknowledged the role of their clients and partners in achieving this milestone:

*"Your feedback and confidence help us grow and improve every day."*

This honor reinforces Relopet International's position as a trusted member of the GEM Pet Network, dedicated to safe journeys, ethical service, and happy reunions.

*"Here's to another year of safe travels, wagging tails, and pets reunited with the humans who love them."*
